

I like to look up God's promises by topic. If I want to know what the Word says about health and healing, I go to my concordance and make a list of those scriptures. You can do the same with peace, forgiveness, obedience, etc.

There are over 3000 promises in the Bible. I would encourage you to do your own research. You can do it topically or look for a promise as you do your daily reading, underline it and write it out.

Here are the scriptures I used in today's teaching.

Psalm 19:14
Matt. 12:34
Gen. 17:1-5
Gen. 22:1-8, 16-18
Num. 13:30-32
Num. 14:6-9
Joshua 6:1-4
Luke 6:45
